BUSINESS SERVICE CENTRES IN PORTUGAL 2022

AICEP and IDC have just launched the second edition of the Business Service Centres in Portugal Report, 2022.

A comprehensive and in-depth view of the industry of business services in Portugal, based on a survey and interviews with top managers.

For the first time, this report features 10 case interviews to showcase successful examples of foreign operations established in Portugal.

HCL

Natixis

SEG Automotive

Siemens

Solvay

The contribution to the success has been...the culture in Portugal, the spirit to discover new things and also the willingness to find solutions to grow in new services. And of course, the people! They are a mix between Latin and Central European cultures, and it works very well. Our customers love it!
