**Description**

**Main site or place of performance**

Porto Novo, Santo Antão - Cabo Verde

**Description of the procurement**

The procurement concerns a Design and Build (D&B) Contract for the Modernization and Extension of Porto Novo, located in Santo Antão Island, Cabo Verde. The Project is promoted by ENAPOR, S.A. as part of the national strategy for port infrastructure modernization and expansion, and is financed by the European Investment Bank (EIB).

The Contract will comprise the full detailed design, construction, testing, commissioning and handover of upgraded port infrastructure, based on a Preliminary Design currently under optimization through ongoing Development Design and preparatory studies.

European Investment Bank

**PROJECTS DIRECTORATE**

**PROCUREMENT OFFICE**

The scope of the contract shall include, without limitation, the following:

- Preparation of detailed engineering designs, including all necessary technical studies, surveys, modelling, geotechnical investigations, and environmental and social (ES) compliance requirements;
- Construction of the extension of the port infrastructure, including the extension of the breakwater, the installation of utility networks, and all related civil and maritime works;
- Implementation of Environmental and Social management measures in line with EIB Standards, including the management of SEA/SH risks;
- Testing, commissioning and handover of all completed works in an operational state.

**Award criteria**

- Criteria below
- Price is not the only award criterion and all criteria are stated only in the procurement documents

*[Please fill the criterions below only if 'Criteria below' is selected. If 'Price is not the only award criterion and all criteria are stated only in the procurement documents' is selected do not fill any of the quality or cost criteria or price below]*
