TALENT BRIDGE

A BRIDGE BETWEEN COMPANIES AND GLOBAL TALENT

INOV Contacto – Talent Bridge connects organizations with global talent. It facilitates recruitment, networking, and employer branding opportunities within the Networkcontacto community.

We connect your organization with a community of 6,000 Portuguese professionals who have international experience, multicultural backgrounds, and are highly qualified, mobile, and globally minded.

WHO IS IT FOR

- Companies with internationalization strategies
- Companies with investment projects in Portugal
- Companies recognized as Great Places to Work

HOW IT WORKS

1. Expression of interest

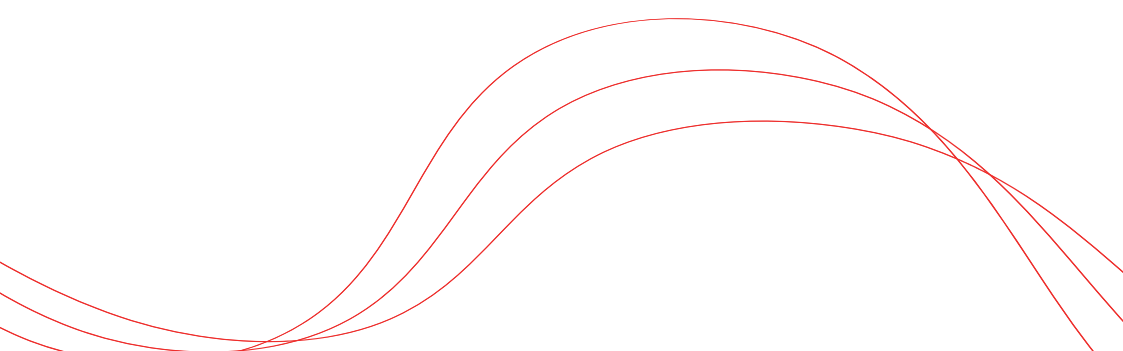

Visit www.inovcontacto.pt and fill in the eligibility form.

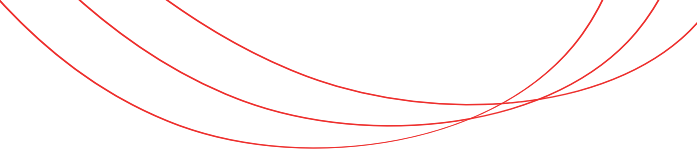

2. Scheduling the session

An exclusive online session is organized between the company and the Networkcontacto community on a date agreed upon by both parties.

3. Promotion within Networkcontacto

INOV Contacto promotes the initiative to its network of professionals and manages the registration process.

4. Conducting the session

The company presents its organization, culture, opportunities, and international projects, fostering direct contact with qualified talent.

Sessions may include:

- Institutional presentation
- Culture and international positioning
- Career opportunities
- Employee testimonials
- International experiences
- Insights on mobility and recruitment

BENEFITS FOR YOUR COMPANY

Direct access to qualified talent

Candidates with international experience, global skills, and strong adaptability.

Strengthened employer branding

Promotion of your employer brand within a diverse and international community.

Greater recruitment efficiency

Direct contact with candidates who are well-suited to global and multicultural environments.

Strategic networking

Exclusive access to professionals with experience across different regions and industries.

Visibility among the qualified diaspora

Positioning the company among Portuguese talent with international experience.
