TOP EVENTS

SIAL HOSTED BUYER PROGRAM

SIAL India 2026 will welcome buyers from over **50 countries** through its exclusive Hosted Buyers Program. This initiative provides a dedicated platform to create valuable business opportunities, establish strong partnerships, and drive impactful deals.

SIAL LIVE COOKING

A one-of-a-kind event where chefs from around the world perform culinary masterpieces using your ingredients. This interactive and engaging event offers an unparalleled platform to showcase the quality, versatility, and innovation of your food products in a dynamic, live environment.

SIAL INNO- VATION

Offers exhibitors a powerful platform to showcase their most creative products. Judged by an independent panel of experts, selected innovations gain global recognition and high visibility in the dedicated Innovation Area. It's your chance to stand out, attract buyers, and lead food industry trends.
